

The Transition Times

Committed to keeping MCC up to date and invested in our 2026 Pastoral Transition

McAuley's Corner

It's been good to attend Sunday services here at Millarville for the past month and I was glad to be able to share some of my story last Sunday.

Donna has joined me on a couple of visits this past week and it has been good to slowly get to know some of you.

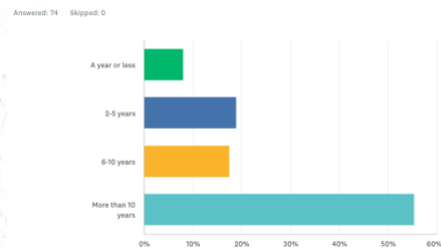

On Tuesday Don Crawford and I were able to attend a Webinar on Vision in Transitional Ministry. There was some good information that we will still work through in the context of this church. Please pray for continued wisdom moving forward.

Blessings, **Pastor Barry**

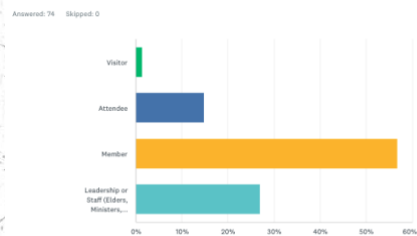

Greetings MCC ... the Pastoral Search Committee will meet again tonight to continue digging into the survey 74 of you completed for us. You can be praying for the PSC as we unpack the results further ... for discernment, understanding and wisdom in assessing and evaluating the feedback we received.

In case you are wondering about who those 74 folks (74%) were?

How long have you been a part of Millarville Community Church (MCC)?

How would you classify your involvement?

Lots more to come ...
