

Pastoral Search Committee Update

April 24, 2026

The Pastoral Search committee would like to thank all those who took part in the survey. We were very encouraged with **74 surveys being filled out**. We asked you all to be honest in your feedback and we feel you were. It is only in this honesty that we can begin to build on the many positive and uplifting comments. Commit to repairing, reorganizing and regrouping where we have struggled in the past. There is a lot of information in these surveys and the process of correlating, and navigating through the feedback has begun.

This will not be a quick process. It will take time to analyze opportunities for growth and review processes to improve on them. It takes time to formulate new ideas and initiate new plans as we move forward. One thing that was very obvious in these results is that you love and care about Millarville Church. Having read how much joy, fellowship and community people find here was so comforting and exciting.

We trust you will continue praying for this team, as well as this stage of the Transitional process we are in. We have a strong foundation and Jesus is our cornerstone. We are filled with the Holy Spirit and trust in His leading.

Proverbs 3:5-6.

“Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to Him, He will make your paths straight.”

Love and blessings,

P&C
